ALASKA GOLD MINING MEDALS

“PARKER MEDAL”: Made for Carl Parker of Livengood and others by Northwest Territorial Mint, 1976. Not the current NWT Mint, but an earlier use of the name.

PLACER MINERS OF AK, INC.: Nice medal with many of the placer mine strikes listed on the reverse. Nice image of a hydraulic giant on the obverse. I believe these were issued in 1980.

NYAC SOURDOUGH CENTENNIAL: An odd medal with an odd, dull finish (enhanced for reproduction). Perhaps the word “centennial” was used in place of commemorative. Issued 1976.

MAN MINING CO.: Issued by Bobby Miller and Jack Neubauer in 1978 (an earlier version was issued in 1976).

The above four medals are all one ounce pure gold. Please call for a current price quote.

CASSITERITE PLACER, INC. one ounce silver, 1993. **\$50.00**

ALASKAN GOLD PROSPECTOR, 1981. An odd medal. We have only seen a couple and all are about 12 grains light! Looks like this has been a pocket piece. **\$45.00**

ALASKA MINERS ASSOCIATION one ounce silver. Nice few of miner driving a steam point with dredge in the background. **\$50.00**

ALASKA RARE COINS \$25 one ounce silver. These sold out, but we bought 2 back! **\$60.00**
